

House Rules Nova Rock Festival

General

Due to unpredictable weather conditions during an open-air event unexpected safety procedures (e.g. performance interruption, evacuation) might take place. Any important safety announcements will be communicated through speaker and by the security personnel. Instructions given by the security personnel must be followed immediately!

During open-air events, it may come to unexpected measures due to the weather conditions. (Interruption of performances, area evacuation, tent evacuation etc.). These measures are announced by speaker and by the security staff, as well as online. The orders of the security staff must be followed immediately! If there is a risk of lightning, visitors should go to their cars on their own responsibility and provide visitors with no cars with any available space (by switching on the hazard warning lights)!

Any kind of gas cartridges, gas bottles or flammable liquids are strictly prohibited on the whole area (parking-; camping-; caravan- as well as the core festival area).

Since the Nova Rock festival site is located close to the Hungarian border, we would like to point out that entering and trespassing is only allowed when carrying a valid passport or identity card. When entering Hungarian national territory, Hungarian Law will be applied in regards to any violation of law.

The brands of the event and the partners promoting the cooperation are protected. The use of their brand images and logos for their own advertising purposes (for example, by influencers, bloggers, etc.) is prohibited by trademark and competition law and violations could even be punished by criminal means; in any case, there are also enforceable claims for injunctive relief or claims for enrichment by way of a preliminary injunction. The organizer is certainly interested in further partnerships and offers the conversation - but this against a possible violation of his rights or the rights of his cooperation partners. On site, the organizer will enforce his rights against unwanted festival brand uses also with the help of the house rules.

A. Parking Regulations

1. Scope

The parking regulations apply to the parking lot at the Nova Rock Festival.

Access to the car park is only granted for festival visitors with a valid Nova Rock ticket and only during opening hours. By entering the parking site, the visitor unconditionally agrees to the parking regulations as well as all relevant statutory provisions and orders imposed by the public authorities.

The organizer/promoter is not liable for any objects left, lost, stolen and placed at the parking site.

B. Camping-, Caravan and Silent & Clean Caravan Regulations

1. Scope

The camping regulations apply to the campsite at the Nova Rock Festival.

The campsite and caravan camping area may be used during opening hours and only by festival visitors holding a valid Nova Rock ticket. Access to the caravan camping area is only granted with a valid Caravan Ticket. The access to the caravan site is only permitted with a valid caravan ticket. Only approved vehicles with registration plates may drive onto the caravan sites or park.

Caravan visitors arriving before the opening hours must pay additional fees for using the parking space (= early caravan fee).

By entering the camping areas (incl. normal camping, caravan camping, VIP camping, silent & clean caravan camping, green camping, tent hotel, glamping, grrrls camping) the visitor agrees to the camping and caravan regulations as well as all relevant statutory provisions and orders imposed by the public authorities. Any instructions given by the security personnel must be followed at all times.

We do not tolerate any kind of harassment or threats towards other visitors.

By entering the camping and caravan site, the visitor agrees to security checks and searches of any kind of luggage (bags, backpacks, etc.). Visitors also agree to be subject of a possible body search, if considered necessary.

2. Prohibitions

Campfires and open fires are strictly forbidden. The use of gas cookers and gas appliances is not permitted as well. Barbecues may only be used at the barbecue area (= Hofer-Grill Area). At the caravan camping site the carrying of gas bottles and fuels (gasoline, diesel, oils) is not permitted. Likewise, the carrying of unnecessary fire loads (such as furniture) is prohibited. It is expressly and without exception forbidden to reserve camping or caravan areas for other visitors or stake out areas that are not needed directly as their own campsites.

The entrainment and handling of fireworks of any kind is strictly prohibited. Likewise the carrying of weapons or weapon-like objects to the camping and Caravan area and digging of holes is not permitted. There is strict glass and bulky waste ban on the camping and caravan site. Even beer crates, beer tables and benches are prohibited. Sharp are also not allowed.

It is strictly forbidden to damage, alter (knock down, ignite...) items such as showers, chemical toilets and other items provided by the organizer. Facilities at the camping and caravan site, such as towers,

roofs of containers and the like, may not be climbed by visitors. The damaging of fence elements, as well as the climbing these fence elements is not permitted.

With the access to the camping and caravan area, the visitor agrees to the search of their objects (bags and the like). Likewise, if necessary, there will be a personal check and a body check (search of persons, objects, containers and places). It is forbidden to block paths (main roads, sideways and emergency exits) with tents or other movable objects. Party / pagoda tents may only be set up so that the sleeping tent is at least 50% covered. In case of violation party tents must be dismantled.

At the campsite there is absolute ban on driving vehicles and motor vehicles. Only the emergency, security service and the organizers vehicles are allowed to drive on the campsite.
